

Holly... I'm The One

Son Of Dork

I'm hiding in a bush outside your window, I'm feeling sick and numb
Fed all my best lines to my best friend so he could be the one
But I'm jerk because it worked and I've just realized what I've done
 Guess I'll never be the guy to get the girl
 Set it up so that he could rock your world
 Promise me when you scream you fake it
 Holly, I'm the one you should be dating
 Seeing you with him is so frustrating
 I taught him everything he knows
 You fell for every single line I gave him
 I know that I'm dumb, but Holly, I'm the one
 Holly, I'm the one
So maybe I should just go home now and let you have your fun
It doesn't make it any easier, I live across the street but one
If that clown let's you down, Holly, you know where to come
 Yes, I could've been the guy to get the girl
 Yes, I could've been the one to rock your world
 But I'm not, so I've got to face it
 Holly, I'm the one you should be dating
 Seeing you with him is so frustrating
 I taught him everything he knows
He's just a fraud 'cos I'm the guy who made him
I know that I'm dumb, but Holly, I'm the one
 Who can't believe you're at my door
 'Cos he confessed that he'd been cheatin'
Suddenly a chance for me to tell the secret I'd been keeping
 I am the one, I am the one, I am the one
 I am the one, I am the one, I am the one
You said, you valued his integrity and honesty is rare
 He swore to you he'd never cheat again
 He cried and said, he cared
 Well, he's a jerk because it worked
 Holly, I'm the one you should be dating
 Seeing you with him is so frustrating
 I taught him everything he knows
 He used to be my best friend, now I hate him
And it sucks that he won 'cos he's a dick and you're amazing
 I know that I'm dumb, but Holly, I'm the one
 Holly, I'm the one
