

# Penetration

## Iggy & The Stooges

Penetrate, penetrate me  
I'm so fine, so fine, so fine  
I get excited, I get excited  
I'm alone, I'm so fine, pull a line Every night outta town, every night outta town  
I go now, go now, I pulsate  
I'll be all fine man, I'll be all fine man  
I'll take away, I'll take away, be alright Penetration Come and take me, come and take me  
I'm alive, I'm alive, I'm alive  
I'll stick it out, babe, I'll stick it out  
I'll be all fine, every time, penetrate Penetration  
Penetration  
Penetration  
Penetration
