

# Je T'aime

Kelly Sweet

Je t'aime, je t'aime toujours  
I am forever yours Sweet dreams, sweet dreams mon cher  
You're always in my prayers Softly, sweetly  
Wrapped up in heaven's arms  
Sailing, soaring over the moon  
Gathering star dust Be still, be safe, be sure  
Je t'aime, je t'aime toujours Wishing, praying  
All of your dreams come true  
Please remember  
Where'er you are my heart is with you Sweet dreams, sweet dreams mon cher  
Always in my prayer I am forever yours  
Je t'aime, je t'aime toujours
