

Shine Like You Mean It

Clooney

I woke up with the sun
I felt like number one
I called my friends up everyone
Letâ€™s catch a little fun
The beach is paradise
The boardwalkâ€™s full of smiles
Got sand between my toes and I
Got lotion on my thighs
All of the people
Beautiful people
Summerâ€™s on your side

Digging on your vibe
Look how you sparkle
Beautiful people
Summerâ€™s on your side
Your soul is made of light
Shine shine like you mean it
Shine shine like you mean it
Got beats and shakes and fries
Got lasers in my eyes
kaleidoscopic butterflies
spin in azure skies
Skin is all aglow

Thereâ€™s nothing we donâ€™t know
we got superpowers
so Donâ€™t ever let us go
I woke up with the sun
Put my sunglasses on
and haters all be gone
cos the heat has just begun
so take your sweater off
and get some summer love
from the disco ball above
we just canâ€™t get enough
shine
shine
