

Unknown Stuntman

Lee Majors

Well, I'm not the kind to kiss and tell, But I've been seen with Farrah.

I've never been with anything less than a nine, so fine.

I've been on fire with Sally Field, gone fast with a girl named Bo.

But somehow they just don't end up as mine

It's a death-defying life I lead, I'll take my chances.

I've died for a living in the movies and tv.

But the hardest thing I'll ever do is watch my leading ladies,

Kiss some other guy while I'm bandaging my knee.I might fall from a tall building, I might roll a brand-new car,
'Cause I'm the unknown stuntman that made Redford such a star.I've never spent much time in school, but I
taught ladies plenty.

It's true I hire my body out for pay, hey hey!

I've gotten burned over Cheryl Tiegs, blown up over Rachel Welch

But when I wind up in the hay, it's only hay, hey hey!

I might jump an open drawbridge, or Tarzan from a vine,

'Cause I'm the unknown stuntman, that makes Eastwood look so fine.They'll never make me president, but I
got the best first ladies

Someday I got 'em as far as the eye can see - ouee

A morning dove with Jacky Smith, a crash in the night with Cheryl

But in the end they never stay with me

On my fall from the Tower Building, so Burt Reynolds don't get hurt

I might leap the mighty Canyon, so he can kiss and flirt

Well, that smooth talker's kissing my girl, I'm just kissing dirt

Yes, I'm the lonely stuntman, that made a lover out of Burt
