

# Reload

## Mix Factor

Reload  
Time to die  
Time to die  
Time to die  
Silhouetting, complicating  
Whom to dare? I do not care  
What is form and exploration  
Everything is everywhere  
Increase time and spin around it  
Ready for another day  
Power up and memorize it  
Snap the mag and blow away  
Reload  
Time to die  
Time to die  
Time to die  
Pin eyed God, get away  
Pin eyed God, here to stay, yeah  
Pin eyed God, break on you  
Pin eyed God, comin' Through  
Reload  
Time to die  
Time to die  
Time to die  
I rejecting, back and building  
Where you stare I do not care  
What is crawling and competing  
Everything is everywhere  
Deep inside you get around it  
Reaching back another day  
Jump it up and feel the heat  
You snap the mag and blow away
