

# U.f.o

## Matta

It was late one night, a little while ago  
I had nothin' to drink, I don't think  
Okay well, maybe a glass of wine  
But nothin' that would loosen my mind  
To the point of seein', what I?m seein' in the sky  
Woah, an alien bein'  
My mind can't make sense of what I?m seein'  
It's beginning to take control  
So, I better watch out for the anal probe  
We got  
U.F.O, hello  
U.F.O, hello  
U.F.O, hello  
U.F.O, hello  
They come in peace, we stay in war  
We like to get drunk and fight each other in bars  
And all I?m tryin' to say is if you were to look  
From the outside lookin' in, where would you begin?  
U.F.O, hello  
U.F.O, hello  
U.F.O, hello  
U.F.O, hello  
And I, when I look into the sky  
And I see a strange light  
Everythin? is alright  
Everythin? is alright  
I, when I look into the sky  
And I see a strange light  
Everythin? is alright  
Everythin? is alright  
U.F.O, if you wanna take the time to say hello  
I've been waitin' in a field to say  
U.F.O, if you wanna take the time to say hello  
I've been waitin' in line  
U.F.O, if you wanna take the time to say hello  
I've been waitin' in a field to say  
U.F.O, if you wanna take the time to say hello  
I've been waitin' in line  
U.F.O, if you wanna take the time to say hello

I've been waitin' in a field to say  
U.F.O, if you wanna take the time to say hello  
But do you wanna say, hi?
