

# Cruisin'

## Micki Miller

Letâ€™s take a day and just ride the end  
Letâ€™s fly away and leave all our guest  
Forget our worries and all our fears  
Letâ€™s find a way to get lost from here

Weâ€™re gonna fly away, magical highway  
I love it when were cruisin, cruisin  
Letâ€™s take the highway, we can ride all day  
I love it when were cruisin, cruisin
