

Stairway To The Stars

Blue Oyster Cult

You can have my autograph
I think I'll sign it love to you
But should I sign it just for you
Stairway to the stars
I think I'll write good health to you
Stairway to the stars
We got better things to do
You can drive my motorcar
It's insured to thirty thou
Kill them all if you wish
Stairway to the stars
I think I'll write good health to you
Stairway to the stars
We got better things to do
[Incomprehensible] You can have my autograph
I think I'll sign it good health to you
Upon the cast, your broken arm
Stairway to the stars
I think I'll write good health to you
Stairway to the stars
I hope you heal up real quick
Stairway to the stars
Stairway to the stars
Stairway to the stars
Stairway to the stars
Come on, let's get on down here
