

One Ride In Vegas

Deryl Dodd

He's packed up his boots and his saddle
Seventeen, headin' out on his own
He'll rodeo from Cheyenne to Texas
Dreamin' of one ride in Vegas
One ride in VegasLonely nights in rundown motel rooms
Achin' bone from yesterday's ride
It's takin' more than he thought he could give it
But he's holdin' on for one ride in Vegas
One ride in VegasHe's riskin' it all, driven by a hunger
That never will let him give up
And with a fire in his eyes, he dances with thunder
Till one day his day finally comesHis heart beats fast with anticipation
And brighter lights than the kid has ever seen before
He's waited his whole life for the next eight seconds
And he'd do it all again for one ride in Vegas
This one ride in Vegas
