

See You In the Light

Michael Franti & Spearhead

When I wake up in the morning, I hope I see you in the light.
When I wake up in the morning, I hope I see you in the light. I have been traveling down this river, so many
rocks pop up in my site.
I've got to make some quick decisions, should I go left or should I go right.
I pray for guidance and protection, it keeps my boat water tight.
But, I know if I just keep on believin', every little thing is gonna be alright. When I wake up in the morning, I
hope I see you in the light.
When I wake up in the morning, I hope I see you in the light. The vampires gather around me, angling to take a
bit.
They want to drink my blood of courage, and try to take away my fight.
But no, no, no, they can't do that, for one truth I've learned in life.
You want to scare away the vampires, you simple guide them into the light. When I wake up in the morning, I
hope I see you in the light.
When I wake up in the morning, I hope I see you in the light. In the morn, in the morning.
In the morn, in the morning.
In the morn, in the morning.
In the morn, in the morning.
In the morning.
In the morn, in the morning.
In the morn, in the morning.
In the morn, in the morning.
In the morn, in the morning.
In the morning. And when my time is done, I did some right, I did some wrong.
Call my name to kingdom come, spread my wings in flight.
I hope that when my day is over, My love, I see you in the light. When I wake up in the morning, I hope I see
you in the light.
When I wake up in the morning, I hope I see you in the light. In the morn, in the morning.
In the morn, in the morning.
In the morn, in the morning.
In the morn, in the morning.
In the morning.
In the morn, in the morning.
In the morn, in the morning.
In the morn, in the morning.
In the morn, in the morning.
In the morning.
