[T.I. - Verse 1]

I got a corkscrew swag, they see me and get it poppin'  
I wear their ass out and in the morning take 'em shoppin'  
Treat a hoe so sweet, they get wit' me they spoilt rotten  
They wanna be my baby, call me daddy no adoption  
Shawty raw, ball, out at all costs  
Hit the club twice as fly as anybody I saw  
Training wheels on the hustle I will never fall off  
You can keep ya p-ssy baby, give me all jaw  
I'm young dumb, cold as they come  
Treat me like the drummer, give me some would ya hun'
