

My Vision (feat. Jakatta)

Seal

Tonight, wonderful things are about to happen
All of your wildest dreams are about to come true I feel like the sun, I feel like the rain
I feel like I just found reason for living again
'Cause what I've been dreaming, I know that it's real
I know there's just no changing the way I feel
And I have a secret, I think you should know
I feel like I just can't keep it, it's deep within me and I know it's outta control Can you see my vision
Of a red-hot summer in wine?
When love was the feeling
There's no indecision
We were turning that key inside
To get in the moment Tonight, wonderful things are about to happen
We live in a dream, I see you today
I feel like all my fears are fading away
And I have a secret I think you should know
I feel like I just can't keep it, it's deep within me and I know it's outta control Can you see my vision
Of a red-hot summer in wine?
When love was the feeling
There's no indecision
We were turning that key inside
To get in the moment Can you see my vision
Of a red-hot summer in wine?
When love was the feeling
When love was the feeling
When love was the feeling
When love was the feeling Tonight, wonderful things are about to happen
All of your wildest dreams are about to come true I have a secret, I think you should know
I feel like I just can't keep it, it's deep within me and I feel like I'm losing control Can you see my vision
Of a red hot summer in wine?
When love was the feeling
There's no indecision
We were turning that key inside
To get in the moment Can you see my vision
Of a red-hot summer in wine?
When love was the feeling
When love was the feeling
When love was the feeling
Oh, what a feeling
