

# Stay Away

## Secondhand Serenade

something isn't right,  
I'm losing faith in everything I know,  
what do I know?  
You told me I should fight,  
not be self destructive thinking I should go,  
what do i know?  
Stay away from me!  
I need you too badly,  
and it's tearing me apart!  
Won't you stay a part of me?  
I need you too badly,  
I need you too badly,  
I need you too badly.  
I wrote this song tonight,  
just to feel like I was not alone,  
But I am alone.  
I don't have the right to ask for your  
forgiveness on the phone,  
Cause I am alone.

Stay away from me!  
I need you too badly,  
and it's tearing me apart!  
Won't you stay a part of me?  
I need you too badly,  
I need you too badly,  
I need you too badly.  
This feelings never ending,  
and I can't keep pretending,  
that it's you I want,  
that it's you.  
I'm not okay,  
I'm not okay.  
Stay away from me!  
I need you too badly,  
and it's tearing me apart!  
Won't you stay a part of me?  
I need you too badly,  
I need you too badly,

I need you too badly.
