## Stella Blue

## **Grateful Dead**

All the years combine

They melt into a dream

A broken angel sings from a guitarIn the end, there's just a song

Comes crying like the wind

Through all the broken dreams and vanished yearsStella blueWhen all the cards are down

There's nothing left to see

There's just the pavement left

And broken dreamsIn the end, there's still that song

Comes crying like the wind

Down every lonely street that's ever beenStella blueI've stayed in every blue-light cheap hotel

Can't win for trying

Dust off those rusty strings just one more time

Gonna make 'em shineIt all rolls into one

And nothing comes for free

There's nothing you can hold for very longAnd when you hear that song

Come crying like the wind

It seems like all this life

Was just a dreamStella blue
