

The War Song

Culture Club

War, war is stupid and people are stupid
And love means nothing in some strange quarters
War, war is stupid and people are stupid
And I heard the banging of hearts and fingers, warPeople feel the world with narrow confidence
Like a child at birth, a man with no defense
Whats mine is my own, I wont give it to you
No matter what you say, no matter what you doNow were fighting in our hearts
Fighting in the street
Wont somebody help me?War, war is stupid and people are stupid
And love means nothing in some strange quarters
War, war is stupid and people are stupid
And I heard the banging of hearts and fingers, warMan is far behind in the search of something new
Like a Philistine, were burning witches too
This world of fate must be designed for you
It matters what you say, it matters what you doNow were fighting in our hearts
Fighting in the street
Wont somebody help me?War, war is stupid and people are stupid
And love means nothing in some strange quarters
War, war is stupid and people are stupid
And I heard the banging of hearts and fingers, warWar, war, warAfter the bird has flown
Walked ten thousand miles back home
You cant do that to me, no, you cant do that to me
You cant do that to me, no, you cant do that to me, war, warIn this heart of mine, I'll find a place for you
For black or white, for grown-up children tooNow were fighting in our hearts
Fighting in the street
Wont somebody help me?War, war is stupid and people are stupid
And love means nothing in some strange quarters
War, war is stupid and people are stupid
And I heard the banging of hearts and fingersWar, war is stupid and people are stupid
(No more war, say no more war)
And love means nothing in some strange quarters
(Say war)War, war is stupid and people are stupid
(Senso hantai, Senso hantai)
And I heard the banging of hearts and fingers
(Say no more war, say no more war)War, war is stupid and people are stupid
(No more war, say no more war)
And love means nothing in some strange quarters
(And no more war)War, war is stupid and people are stupid
(And no more war)

And I heard the banging of hearts and fingers
(War, I said no more war) War, war is stupid and people are stupid
(No more war)
And love means nothing
