Warmth Of Windows

Pezz

Questions
I'm open to any suggestions
and facing the problems once faken
And I'm keeping the promises maken
Laughing at all the stupid ways that we were acting
I'll always be here to be your friend
and I'll always be here to lend my hand
Peeking through your window all I'm seeing is the grin on your face
Times that we shared are the only times that I felt safe
I know that you'll be the one to make it
And your future's so bright it has no end
The problems we'll face we'll mend
Missing all the hours we spent kissing
And I wish things could be the same
But you
As the times
they changed
Peeking through your window all I'm seeing is the grin on your face
Times that we shared are the only times that I felt safe
Scritchin' and a scratchin' and a leachin' and a latchin'
Now I realize that you're gone
Scritchin' and a scratchin' and a leachin' and a latchin'
Now I realize I'm alone
With this pain that I feel
I know that it's real
You think that dealing with my problem is easy
It ain't easy.
