

# Warmth Of Windows

[Pezz](#)

Questions

I'm open to any suggestions  
and facing the problems once faken  
And I'm keeping the promises maken  
Laughing at all the stupid ways that we were acting  
I'll always be here to be your friend  
and I'll always be here to lend my hand  
Peeking through your window all I'm seeing is the grin on your face  
Times that we shared are the only times that I felt safe  
I know that you'll be the one to make it  
And your future's so bright it has no end  
The problems we'll face we'll mend  
Missing all the hours we spent kissing  
And I wish things could be the same

But you

As the times  
they changed

Peeking through your window all I'm seeing is the grin on your face  
Times that we shared are the only times that I felt safe  
Scritchin' and a scratchin' and a leachin' and a latchin'  
Now I realize that you're gone  
Scritchin' and a scratchin' and a leachin' and a latchin'  
Now I realize I'm alone  
With this pain that I feel  
I know that it's real  
You think that dealing with my problem is easy  
It ain't easy.
