Cold Man Cold

Karen Lovely

Cold Man Cold

(Guitar intro)
Thatâ€™s cold man cold
Thatâ€™s cold man cold
My baby packed up
And just hit the road
Thatâ€™s cold man cold

Never no talk about no leaving
Me, I didnâ€™t have no clue
Slipped away without no warning
Took my TV too
Thatâ€™s cold man cold
Thatâ€™s cold man cold
No goodbye, no nothinâ€™
Just hit the road
Thatâ€™s cold man cold

Looked in the cupboard for my bottle
Yeah, I found that cupboard bare
I looked in my sock drawer
Baby even took my spare
Thatâ€™s cold man cold
Thatâ€™s cold man cold
Canâ€™t have no feelings
To stoop so low
Thatâ€™s cold man cold

(Guitar solo)

Thatâ€™s cold man cold
Thatâ€™s cold man cold
Canâ€™t have no feelings
To stoop so low
Thatâ€™s cold man cold

Upside my head
Been stuck blind
Hit me high

Thatâ€™s such a crime (2:30)
Thatâ€™s cold man cold
Thatâ€™s cold man cold
Canâ€™t have no feelings
To stoop so low
Thatâ€™s cold man cold

Solo
Guitar battle
Oh thatâ€™s cold
Man thatâ€™s cold
Uh thatâ€™s cold
