

# Many Waters (Reprise)

## Ziggy Marley & The Melody Makers

Set me as a seal on your heart  
Love is stronger than death  
Jealousy is cruel as the grave  
Love, many waters cannot quench Many waters cannot quench  
Love, many waters cannot quench  
I've been searching  
Now I see  
I got some love inside of me  
Love, many waters cannot quench Dreams of you fill my reality  
Beautiful you are my love  
Your eyes are doves behind the veil  
Fair as the moon  
Strong as the sun  
Many waters cannot quench  
Love, many waters cannot quench  
I've been searching  
Now I see  
So much love inside of you  
Love, many waters cannot quench  
I've been searching  
Now I see Set me as a seal on your heart  
Love is stronger than death  
Jealousy is cruel as the grave  
Love, many waters cannot quench Won't retreat, won't surrender  
I want you to remember  
Many waters cannot quench  
Love, many waters cannot quench  
I've stopped searching  
Now I see  
So much love inside of me  
Love, many waters cannot quench  
I've stopped searching  
Now I see  
So much love inside of you  
Love, many waters cannot quench
