

# Do Right Woman Do Right Man

**Niamh Kavanagh**

Take her to heart  
And she'll love you forever  
And nobody can make her do wrong  
But take her for granted, leaving your love unshown  
Makes will power weak and temptation strongA woman's only human  
This you should understand  
She's not just a plaything  
She's flesh and blood, just like her man  
And if you want a do right all day woman  
You've gotta be a do right all night man
