

Touch It

Monifah

Advisory - the following lyrics contain explicit language:

Yeah, yeah, yeah Jack night in the coda house
All we wanna do is make ya bounce
Monifah, could ya turn me on
Show me what ya thing is all about Jack night in the coda house
All we wanna do is make ya bounce
Monifah, could ya turn me on
Show me what ya thing is all about Do ya really wanna touch it?
Do ya really wanna mess with me tonight?
And if ya know how I like it
Would ya call my name and give it to me right? Could you just put that thing on me
See we could just fuck on you
And you could just fuck on me
And I will give it to ya all night long
I'ma show your body what your lips are doing wrong Do ya really wanna touch it?
Do ya really wanna fuck with me tonight?
And if ya know how I like it
Would ya call my name and give it to me right? 'Cause your love just feels so good to me
Could ya just move it on up, 'cause I'm in ecstasy
And I'ma give it to ya all night long
I'ma show your body what your tongue is doin' wrong Do ya really wanna touch it?
Do ya really wanna fuck with me tonight?
And if ya know how I like it
Would ya call my name and give it to me right? This whole shine has got me wet like crazy
I want it more and more when ya call my name and spank me Do ya really wanna touch it?
Do ya really wanna mess with me tonight?
And if ya know how I like it
Would ya call my name and give it to me right? Do ya really wanna touch it?
Do ya really wanna fuck with me tonight?
And if ya know how I like it
Would ya call my name and give it to me right? Jack night in the coda house
All we wanna do is make ya bounce
Monifah, could ya turn me on

Show me what ya thing is all about Jack night in the coda house
All we wanna do is make ya bounce
Monifah, could ya turn me on
Show me what ya thing is all about Do ya really wanna touch it?
Do ya really wanna fuck with me tonight?
And if ya know how I like it
Would ya call my name and give it to me right? Do ya really wanna touch it?
Do ya really wanna mess with me tonight?
And if ya know how I like it
Would ya call my name and give it to me right? Do ya really wanna touch it?
Do ya really wanna fuck with me tonight?
And if ya know how I like it
Would ya call my name and give it to me right? Do ya really wanna touch it?
Do ya really wanna mess with me tonight?
And if ya know how I like it
Would ya call my name and give it to me right? Touch it, touch me, my man, suck me, gimme, baby
If you know how I like it Do ya really wanna touch it?
Do ya really wanna fuck with me tonight?
And if ya know how I like it
Would ya call my name and give it to me right?
