

# Walkin' My Baby Back Home

Johnnie Ray

Well now gee but it's great after staying out late  
Walking my baby back home  
Arm in arm over meadow and farm  
Walking my baby back home  
We go along harmonizing a song  
Or I'm reciting a poem  
The hours go by and they give me the eye  
Walking my baby back home  
We stop for a while, she gives me a smile  
And cuddles her cheek to my chest  
We start in to pet and that's when I get  
Her powder all over my vest  
Just when I try to straighten my tie  
She wants to borrow my comb  
One kiss and then we continue again  
Walking my baby back home  
Well gee but it's great  
After staying out late  
Walking my baby back home  
Well arm in arm over meadow and farm  
Walking my baby home  
Well we go along singing a song  
I'm reciting a poem  
Well the hours go by and they give me the eye  
Walking my baby back home  
We stop for a while, she gives me a smile  
And cuddles her cheek to my chest  
Well we start in to pet and that's when I get  
Her powder all over my vest  
And just when I try to straighten my tie  
She wants to borrow my comb  
One kiss and then we do it again  
Walking my baby back home
