

# Like a Child Again ('Children' - 29/08/02)

## The Mission

Woooah

I'm not scared anymore  
I'm not scared of the dark when I sleep with you, with you  
And I'm feeling alive  
And I'm feeling strong again when I'm with you, with you

And it hits me just like a runaway train  
And it blows me away just like a hurricane

You make me happy and I hope you feel the same  
You make me feel just like a child, a child again

I'm not trapped anymore  
Between Madonna and the whore when I lay with you, with you  
And the days run away  
Like wild horses run away when I'm with you, ah-ah-ah

And I'm breathing you in just like the morning air  
And I'm wrapping you around just like a skin to wear

You make me happy and I hope you feel the same  
You make me feel just like a child, a child again

Oh, sweet thing, I'm born once again  
For you sweet thing, just like a baby again

You make me happy and I hope you feel the same  
And I'm in heaven and it feels like a gentle rain  
You make me happy and I want you to feel the same  
You make me feel just like a child, a child again
