The Doors

Ha, ha, ha, ha,
Yeah,
Yeah please me, yeah
Easy, babe,
Please me
Please, please listen to me children
Please, please listen to me children
Please, please listen to me children
Said please, please listen to me children
You are the ones who will rule the world
Listen to me children
Listen to me children
Please, please listen to me children
Please, please listen to me children
You are the ones who will rule the world, ha You gotta please me,
All night
Please, please listen to me children
Said please, please listen to me children
Please,
Yeah, please me,

Please, please listen to me children
Please, please listen to me children
Please, please listen to me children
Please, my children
Please, children
