

# Silly Boy

Rihanna

You`re callin' me more than ever now that we`re done  
Two keys back to my place, we were having no fun  
But you`re not ok, tellin' me you miss my face  
I remember when you would say you hate my ways I said I`m not coming back  
It seems you only want what you can`t have  
That ego's hurting  
Just too bad for you, that when you had me  
You didn't know what to do  
Game's over, You lose Cause you had a good girl, good girl (girl)  
That's a keeper, k-k-k-k-keeper  
You had a good girl, good girl but  
Didn't know how to treat her, t-t-t-t-treat her (treat her)  
So silly boy get out my face (my face)  
Thought you liked the way green grass taste?  
So silly boy get out my hair, my hair (get outta here)  
No, I don't want you no more (get outta here) Silly boy (silly boy)  
Why you acting silly boy?  
Silly boy boy (boy boy)  
Acting acting silly boy? You comin' with those corny lines  
Can't live without me  
I'll get some flowers for the day that you are buried  
Know, people make mistakes  
But I just think your ass is fake  
Only thing I want from you, is for you to (stay away) I said i`m not coming back  
It seems you only want what you can't have  
That ego's hurting  
Just too bad for you, that when you had me  
You didn't know what to do  
Game's over, You lose. Cause you had a good girl, good girl (girl)  
Thats a keeper, k-k-k-k-keeper  
You had a good girl, good girl but  
Didn't know how to treat her, t-t-t-t-treat her (treat her)  
So silly boy get out my face (my face)  
Thought you liked the way green grass taste?  
So silly boy get out my hair, my hair (get outta here)  
No I don't want you no more (get outta here) No more, no more, no more (nooo ooohhh)  
(oooh) Silly boy (silly boy)
