

Do It Again

Melissa Etheridge

Walked your fire I got a little bit burnt
Hold on tight cause I, I never did learn
You were the one they tried to warn me about
I jumped into your ocean knowing I could never get out Oh baby it hurts, hurts to be in love
Oh baby it hurts but I do it just because
I walk straight through your mountain
Crawl right under your sea
And if you don't know, know it by now
You're the only one who does this to me
But i'd do it again
Yes i'd do it again Even when i'm tired and my feelings are hurt
Never lost desire only made things worse
I hope i'm holding out for something good
Cause we're that combination yeah we're the kind that could Oh baby it hurts, hurts to be in love
Oh baby it hurts but I do it just because
I walk straight through your mountain
Crawl right under your sea
And if you don't know, know it by now
You're the only one who does this to me
But i'd do it again
Yes i'd do it again
