

Happiness Is Just A Chant Away

Chumbawamba

I'm having a wonderful time drunk on communion wine

One sin over the seven

Sick all over the stairway to heaven

Bullshit, bullshit, priests without a pulpit

Shake shake shake your blessed bells

Ding dong, heaven calling, buzz buzz buzz, haircut sir

You put your whole self in, your whole self out

In out in out, shake it all about

With a pop song, pop song, smothering love bombs

You're great I'm great everybody's great

Everybody's great

(Repeat)

Happiness is just a chant away

(Repeat)

Georgie got a needle and Georgie got a hit

Georgie got religion and a saviour on a stick

There're a thousand Georgies all posing in a field

Which are false and which are real?

You put your whole self in, your whole self out

In out, in out, what's it all about?

Pop song, pop song, smothering love bombs

You're great i'm great everybody's great

Everybody's great

(Repeat)

Happiness is just a chant away

(Repeat)

I'm having a wonderful time drunk on communion wine

One sin over the seven

Sick all over the stairway to heaven

Harry Roberts, Harry Roberts, Roberts, Roberts, Harry, Harry

(Repeat)

Everybody got a good deal

Everybody got a guru

Everybody got a love bomb

Everybody got a hit song

(Repeat)
