# Love Is on the Radio

## McFly

I was alone and my stomach was twisted
But I can get up now, the dark clouds have lifted
Back in the old life, before you existed
I couldn't see right, my windows were mistedSaid one word, made me feel much better,
Starts with L and it's got four lettersThings are looking up, looking up (hey!)
There's magic everywhere you go
Strangers stop to say hello, hello, hello, hello
So turn it up, turn it up (hey!)
As loud as you can make it go
'Cause love is on the radioNow that I've found you, my heart's beating faster
We could be happy forever and after
We could be married, like Mrs. and Mr.
We'll have a son and we'll give him a sisterJust one thing holding us together
A four letter word and it lasts foreverThings are looking up, looking up (hey!)
There's magic everywhere you go
Strangers stop to say hello, hello, hello, hello)
So turn it up, turn it up (hey!)
As loud as you can make it go
'Cause love is on the radioLove is on the radio
Love is on the radio (turn it up, turn it up)
Love is on the radio (turn it up, turn it up)
Love is on the radio (turn it up, turn it up)
Love is on the radio (turn it up, turn it up)
Love is on the radio (turn it up, turn it up)
Love is on the radio (turn it up, turn it up)
Love is on the radioFunny one thing led to another,
You came along, filled my days with color
And its been an everlasting summer
Since we found each otherThings are looking up, looking up (hey!)
There's magic everywhere you go
Strangers stop to say hello, hello, hello, hello)
So turn it up, turn it up (hey!)
As loud as you can make it go
Play until your speakers blow
Listen 'til your ears explode
'Cause love is on the radio
