Let Me In

Advisory - the following lyrics contain explicit language:

She's out of my league
And that's the kind of girl I need
I am the underdog
But I'm about to take the leadYou ain't gotta worry about the others
They could never turn my head
And every time I'm with another
I wish it was you insteadAnd I'm not trying to force it
But I've got one thing on my mind
I'm not going anywhere soon
I'm on a mission, baby, I've got the timeLet me in, might as well be with you
Let me in, I know how to make you miss meI got what you need
No hesitation when I bring
I'm your man
It's a promise and a ringI got a secret for you
If you promise not to tell
Sometimes you feel a little closer to heaven
When you raise a little hellNever give up on desire
You know how long I've waited around
You're only adding fuel to the fire
I won't be leaving till I wear you outLet me in, I have got your number
Let me in, we're not getting any youngerYou ain't got worry about the others
They could never be this real
And even if you're with another
You'll remember how I feelLet me in, knock it out with just one touch
Let me in, I'm not asking for too muchI know how to make you miss me
You'll feel it when you kiss meYou'll feel it with me
You'll feel it with me
