Death Is This Communion

High on Fire

The site of lost horizons
Dominions seek to resurrect a god
The graves hold arcane mysteries
Various swamps hide terrible catacombsThe circle of redeemers
The pact is made with human sacrifice
Under storm filled skies
Behemoth of the sea awakes, ariseTremble at the horror in which it writhes
Once they behold and unearth the titans might
Faithful servants pay its ghastly price
Slithering, blasphemous, curse upon all lifeDeath is this communion
Now, you realize
Death is this communion
Now, you realizeDeath is this communion
Now, you realize
Death is this communionThe site of lost horizons
Dominions seek to resurrect a god
The graves hold arcane mysteries
