

# Evil

## Operators

Did you run, on suburban lawns  
Up and gone in your wedding coat  
You were on the phone, doing something regrettable it's true  
Did you drive under bluest sky  
Say its hard, just to be alive  
And maybe someday soon, everything will be possible for you  
And on the street  
Evil  
And in your house  
Evil  
Never thought this truth would be enough to carrying me out to sea tonight  
Ohhhhhhhh  
Tonight  
OhhhhhhhhBaby you know its fixed  
Baby you know we're pricks  
Well, we were sleeping, dreaming in our beds  
they moved the earth  
they moved the earthWhen they come, when they come for you  
All that's left, is the empty roomStill on the street  
Evil  
Still in our houses  
Evil  
Never believe this scary stuff in life  
So let's get lost  
Let's get lost tonight  
ohhhhhhhh  
Tonight  
ohhhhhhhh
