

Lazarus (Feat. Thi'sl)

Trip Lee

Boy I hopped up out the grave, good morning!
Had been sleeping for too long, I'm yawning
Ever'body talking tryna seeing me
Disbelief like how he breathin'? He was six feet deep! What ya sayin'?
Hold up shut ya mouth
Dead man can't holla what you talkin' about?
'Cause once you through that door it ain't no walkin' out
Let me teach you 'bout your time in my coffin now
(Oh) I know you smell it in the air (yeah)
'Cause I been in the grave for too long I swear
People crying, I'm listening
Obituary been written
My face pale, they can't tell
Your boy 'bout to be risen
Your supposed to call the preacher, he's so gone
It's over can't nobody reach him, so so long
Hey but hold on, before you cry and run out
'Cause somebody coming saying something come out Wake'em! Wake'em up now!
Wake'em! Wake'em up now!
Wake'em! Wake'em up now!
Wake'em! Wake'em up now! Hopped up out the grave, good morning!
I been sleeping for too long, I'm yawning
They bury me in black suit, black tie
I'm alive and I woke up looking fly
So from now on
From-from now on you can call me Lazarus
From-from now on you can call me Lazarus
From-from now on you can call me Lazarus
From a Dead man walkin' to the risen ones
From-from now on you can call me Lazarus
From-from now on you can call me Lazarus
From-from now on you can call me Lazarus
From a dead man walkin' there's a Lazarus They got a missing person report and they can't find the body
Let 'em tell the story, I was shot up at a party
Or was I high-speeding on a bike?
Head on to a truck, high speed for life
You can tell it any way you like
Any story homie I was raised up by the Christ
Still dead man walking, Green Mile

Go and check my grave it's been cleaned out
 Now come and look into my eyes bro
 You can see the fire go and tell 'em I'm alive bro
 Full of power like a wire bro
 God connected to me like some cables and I'm fired up
 Dead men don't talk, dead lies aren't truth, dead men don't walk
 So what that means for me is that they signed off
 On my death warrant but I was raised boy and dried off
 Wake'em! Wake'em up now!
 Wake'em! Wake'em up now!
 Wake'em! Wake'em up now!
 Hopped up out the grave, good morning!
 I been sleeping for too long, I'm yawning
 They bury me in black suit, black tie
 I'm alive and I woke up looking fly
 So from now on
 From-from now on you can call me Lazarus
 From-from now on you can call me Lazarus
 From-from now on you can call me Lazarus
 From a Dead man walkin' to the risen ones
 From-from now on you can call me Lazarus
 From-from now on you can call me Lazarus
 From-from now on you can call me Lazarus
 From a dead man walkin' there's a Lazarus
 Hopped up out the grave (grave) guerrilla stat
 They ain't think that He could do it but He did it now
 I mean The Captain, The Almighty Lord
 Saint kept us free, all aboard (all aboard)
 Can't stop Him when He got His mind made up
 He don't like that grave, sayonara see you later
 He make the blind see and got the lame up
 So it's no surprise He can raise us
 (Wake 'em up)
 (Wake 'em up) Wake 'em up now
 Believe us when your life is lookin' tough now
 When you at your all time low
 Don't forget that power that He already show
 Hopped up out the grave, good morning!
 I been sleeping for too long, I'm yawning
 They bury me in black suit, black tie
 I'm alive and I woke up looking fly
 So from now on
 From-from now on you can call me Lazarus
 From-from now on you can call me Lazarus
 From-from now on you can call me Lazarus
 From a Dead man walkin' there's a Lazarus
 From-from now on you can call me Lazarus
 From-from now on you can call me Lazarus
 From-from now on you can call me Lazarus

From a Dead man walkin' there's a Lazarus
