

Take It Or Leave It

Millencolin

Not even close to magic
And a failure can't be a star
Well, take a piece of madness
And a bit of mystique
Pine gals are hard to find Can you believe it?
Do you wanna believe in nerds?
Decision is easy
Just follow the yellow birds Take it or leave it
The chicken way is here to stay
You better believe it
So watch for Audeen today Try to chew a rat nut
Break a leg and smile
Wanna be a loser
And wanna be odd
Businessmen don't care to much Can you believe it?
Do you wanna believe in nerds?
Decision is easy
Just follow the yellow birds Take it or leave it
The chicken way is here to stay
You better believe it
So watch for Audeen today Take it or leave it
(Take it or leave it)
The chicken way is here to stay
You better believe it
(You better believe it)
So watch for Audeen today, yeah, yeah, yeah
