Still

Maria Tuadi

Youâ€™re thinkinâ€™ that hate makes you bigger
Cuz you know how to make me feel small
Well, I donâ€™t intend to stay here
As a name scribbled on bathroom stalls
Oh
These sticks and stones
May break my bones
These sticks and stones
They just build up my score
Tell me youâ€™re scared to the core
Your words donâ€™t hurt anymore
No, they donâ€™t hurt anymore
See, Iâ€™ve got a big chip on my shoulder
Reminds me Iâ€™ve got bigger plans
Tells me each day I get older
Is a day to celebrate what I have
Oh
These sticks and stones
May break my bones
These sticks and stones
They just build up my score
Tell me youâ€™re scared to the core
Your words donâ€™t hurt anymore
No, they donâ€™t hurt anymore
Ohhh
Uhuh
Iâ€™ve got a big chip on my shoulder
Reminds me Iâ€™ve got bigger plans
