## Maria Tuadi

Youâ€™re thinkinâ€™ that hate makes you bigger  
Cuz you know how to make me feel small

Well, I donâ€™t intend to stay here  
As a name scribbled on bathroom stalls

Oh

These sticks and stones

May break my bones

These sticks and stones

They just build up my score

Tell me youâ€™re scared to the core

Your words donâ€™t hurt anymore

No, they donâ€™t hurt anymore

See, Iâ€™ve got a big chip on my shoulder

Reminds me Iâ€™ve got bigger plans

Tells me each day I get older

Is a day to celebrate what I have

Oh

These sticks and stones

May break my bones

These sticks and stones

They just build up my score

Tell me youâ€™re scared to the core

Your words donâ€™t hurt anymore

No, they donâ€™t hurt anymore

Ohhh

Uhuh

Iâ€™ve got a big chip on my shoulder

Reminds me Iâ€™ve got bigger plans
