Came Blue

Smog

There's a hunger in my hands
I try to rub in into your body
But I don't believe in this
I don't believe in you
I don't believe in meI came blue, came blue
Came blue, came blueYour eyes are drunk
Why don't you close themI came blue, came blue
Came blue, came blueYour eyes are drunk
Why don't you close themI came blue
Like I pictured you to do?
I came blue, to do?Twenty seven years
I came blue
And there is still a hungerI came blue, I came blue
I came blue, I came blue
Came blue, came
