

# Came Blue

## Smog

There's a hunger in my hands  
I try to rub in into your body  
But I don't believe in this  
I don't believe in you  
I don't believe in me I came blue, came blue  
Came blue, came blue Your eyes are drunk  
Why don't you close them I came blue, came blue  
Came blue, came blue Your eyes are drunk  
Why don't you close them I came blue  
Like I pictured you to do?  
I came blue, to do? Twenty seven years  
I came blue  
And there is still a hunger I came blue, I came blue  
I came blue, I came blue  
Came blue, came
