Famous

Nick Cannon

Eeee, I feel like I'm famous
You don't need no money, you don't need no dollar,
You don't need no pearls, you don't need no diamonds,
You don't need no girls, you don't need no calls.
When the beat drop show them you're super star
[Chorus]Scream, scream like you're famous,
Jump, jump like you're famous
Shake, shake like you're famous,
Dance, dance like you're famous
Drink, drink like you're famous
F*ck F*ck like you're famous,
Go Go like you're famous
Over, b*tch I'm famous.
Just looking at you, I can see your star
Gotta tell you girl I'm impressed about how you are
Everything is lying enough perfect with no blow
The only thing you need is someone like me involved.
To break your wall down, I know you've been waiting all day
Just get rid of those clowns and I'll show you the way
Stop hanging around we can paint this town
Until the lights come down on you and make you famous.
(repeat 2x)
Girl, I can make you famous, just believe I can make you famous
Girl, I can make you famous, just believe I can make you famous
B*tch I'm famous
Eeee, I feel like I'm famous
Eeee, I feel like I'm famous

Lights, stars, money, cars,
Lights, stars, money, cars,
Lights, stars, money, cars,
When this beat drop let them know who you are

Jump, jump like you're famous
Shake, shake like you're famous,
Dance, dance like you're famous
Drink, drink like you're famous
