This Will Be Our Year

The Zombies

The warmth of your love
is like the warmth of the sun
and this will be our year
took a long time to comedon't let go of my hand
now darkness has gone
and this will be our year
took a long time to comeand I won't forget
the way you held me up when I was down
and I won't forget the way you said,
"Darling I love you"
You gave me faith to go onNow we're there and we've only just begun
This will be our year
took a long time to comeThe warmth of your smile
smile for me, little one
and this will be our year
took a long time to comeYou don't have to worry
all your worried days are gone
this will be our year
took a long time to comeand I won't forget
the way you held me up when I was down
and I won't forget the way you said,
"Darling I love you"
You gave me faith to go onNow we're there and we've only just begun
and this will be our year
took a long time to comeYeah we only just begun
yeah this will be our year
took a long time to come
