

What It Do

J. Valentine

Girl you got it going on, your lips your legs your beautiful eyes

You've got attitude, I'll tell you straight it's something I like

I won't deny that I can't live without you[Chorus]

It's me and you baby,

What it do

Know that you're not alone

Don't do it on your own

It's so true baby

What it do

It's time to realize won't let you fantasize

Am I getting through

What it doSmoking, drinking, sex no thinking that today I might get it right

If I had to choose, I'll give it up 'cause that's what it do

I'm getting high, now I'm addicted to you, oh yeah[Chorus]You want it, you got it, you want it, you got it, you
got it, you want it

You want it, you got it, you want it, you got it, you got it, you want it (What it do)

You want it, you got it, you want it, you got it, you got it, you want it (What it do)

You want it, you got it, you want it, you got it, you got it, you want itI'm getting high, now I'm addicted to you,
oh yeah[Chorus]What it do

What it doYou want it, you got it, you want it, you got it, you got it, you want it

You want it, you got it, you want it, you got it, you got it, you want it

You want it, you got it, you want it, you got it, you got it, you want it (What it do)

You want it, you got it, you want it, you got it, you got it, you want it (What it do)

You want it, you got it, you want it, you got it, you got it, you want it (What it do)

You want it, you got it, you want it, you got it, you got it, you want it(What it do)

(What it do)
