

# The Darkest Star

## Depeche Mode

Oh, you sad one  
Playing the angel  
Isn't so easy where you're from Oh, you wild one  
Devil's companion  
You won't stay satisfied for long I don't want you to change  
Anything you do  
I don't want you to be  
Someone else for me Oh, you dark one  
Eternal outsider  
Caught in the spider's web you've spun Oh, you blind one  
Gentle and kind one  
Seeing the world as a loaded gun I don't want you to change  
Anything you do  
I don't want you to be  
Someone else for me Stay as you are  
The darkest star  
Shining for me  
Majestically
