

Bad Medicine

Bad Medicine

Your love is like bad medicine

Bad medicine is what I need

Shake it up just like bad medicine

There ain't no doctor that can cure my disease

Bad medicine I ain't got a fever got a permanent disease

And it'll take more than a doctor to prescribe a remedy

And I got lots of money but it isn't what I need

Gonna take more than a shot to get this poison outta me

And I got all the symptoms, count 'em 1, 2, 3First you need

(That's what you get for falling in love)

Then you bleed

(You get a little and it's never enough)

On your knees

(That's what you get for falling in love)

And now this boy's addicted 'cause your kiss is the drugYour love is like bad medicine

Bad medicine is what I need

Shake it up just like bad medicine

There ain't no doctor that can cure my disease

Bad, bad medicine I don't need no needle to be giving me a thrill

And I don't need no anesthesia or a nurse to bring a pill

I got a dirty down addiction that doesn't leave a track

I got a jolt for your affection like a monkey on my back

There ain't no paramedic gonna save this heart attackWhen you need

(That's what you get for falling in love)

Then you bleed

(You get a little and it's never enough)

On your knees

(That's what you get for falling in love)

Now this boy's addicted 'cause your kiss is the drugYour love is like bad medicine

Bad medicine is what I need

Shake it up just like bad medicine

So lets play doctor baby, cure my disease

Bad, bad medicine, is what I want

Bad, bad medicine, it's what I needI need a respirator 'cause I'm running out of breath

You're an all night generator wrapped in stockings and a dress

When you find your medicine you take what you can get

'Cause if there's something better baby, well, they haven't found it yetYour love is like bad medicine

Bad medicine is what I need

Shake it up just like bad medicine

There ain't no doctor that can cure my disease
Your love is like bad medicine
 Bad medicine is what I need
 Shake it up just like bad medicine
Your love's the potion that can cure my disease
 Bad, bad medicine, is what I want
Bad, bad medicine I gotta go, I gotta, I gotta go, I gotta, I gotta, I gotta
 I gotta do it again, wait a minute, wait a minute
 Hold on, I'm not done
 One more time, with feeling, come on
Alright, help me out now Your love is like bad medicine
 Bad medicine is what I need
 Shake it up just like bad medicine
Your love's got the potion that can cure my disease
 Your love, bad medicine
 Your kiss is what I need
 Your love, bad medicine
