Forever Love

X Japan

Mou hitori de arukenai
Toki no kaze ga tsuyosugite
Ah kizu tsuku koto nante
Nareta hazu dakedo ima wa

Ah kono mama dakishimete
Nureta mama no kokoro wo
Kawari tsuzukeru kono toki ni
Kawaranai ai ga aru nara

Will you hold my heart
Namida uketomete
Mou kowaresou na all my heart

Forever love, forever dream
Afureru omoi dake ga
Hageshiku setsunaku jikan wo umetsukusu
Oh! tell me why
All I see is blue in my heart

Will you stay with me
Kaze ga sugisaru made
Mata afuredasu all my tears

Forever love, forever dream
Kono mama soba ni ite
Yoake ni, furueru, kokoro wo dakishimete

Oh! stay with me
Ah subete ga owareba ii
Owari no nai kono yoru ni
Ah ushinau mono nante
Nanimo nai anata dake

Forever love, forever dream
Kono mama soba ni ite
Yoake ni, furueru, kokoro wo dakishimete

Ah will you stay with me
Kaze ga sugisaru made

Mou dare yori mo soba ni

Forever love, forever dream
Kore ijou arukenai
Oh! tell me why, oh! tell me true
Oshiete ikiru imi wo

Forever love, forever dream
Afureru namida no naka
Kagayaku kisetsu ga eien ni kawaru made

Forever love
