Solid You

Neuroticfish

Solid you
Solid forever be
The finest state
Much more than a part of meSolid you
Solid forever be
So solid you
So solid, I can never beWhat if I may burn
What if I may see
What if I despair
For something within meWhat if I deceive
The other half, who cares
Assuming that you never compromise
My pleasuresSolid you
Solid forever be
The final state
Has never been enough for meSolid you
Solid forever be
So solid you
So solid, I can neverWhat if I may burn
What if I may see
What if I despair
For something within meWhat if I deceive
The other half, who cares
Assuming that you never compromise
My pleasures
