I Do

Ten2five

You spend your lonely days lookin' for someone
I just wanna be the one that makes your river run
I know it ain't so fun bein' all alone
And I know you wonder when you'll find yourself a home
You ain't foolin' no one, baby
See you don't believe in you
But I do, yeah, I do
Oh, I do, yeah, I do
If you want some company, I don't mind a ride
I don't want your money, baby, and I don't want your pride
You might think I'm crazy, you just might be shy
I think this is good for us but I could just be high
We can make this happen, baby
I believe that is true
Yeah, I do, yes, I do
Oh, I do, yes, I do
You keep on lookin', baby, I hope it's all too sweet
I hope it's fairy tales and everything you dream
But just remember that we ain't all this kind
When you get tired of lookin', baby, I ain't hard to find
Your wastin' all your time out there
'Cuz they don't care about you
But I do, yeah, I do
Oh, I do, yeah, I do
Oh, I do, yeah, I do
Oh, I do, yeah, I do
