Kid

Peter Andre

I remember how I used to drift around the day
But then you burst into my life and everything changed
You are the smallest and the greatest thing I ever knew
But at this age 'ya act twice my age and tell me what to doAnd Heeey, won't you notice me?
Cause I am noticing you, around here.
Well, now come on.
Yeah now kid, come on.
The things that I do,
Well, they ain't no fun without 'yaYou were laughing, you were crying
You don't play fair
If you do something good, I'll clap
If I do, you don't careOh, I am a losing, but I am doing, the best that I can do
So, unless you get me How-To books, I'm just as lost as youAnd Heeey, won't you notice me?
Cause I am noticing you, around here.
Well, now come on.
Yeah now kid, come on.
The things that I do,
Well, they ain't no fun without 'yaOh, like a piano, I will handle you, with such care
We play the boogie-woogie like it's 1945 as if we were there
Oh, and the years will fly past us like a south-bound train
But until that day, when I am old and gray
Let's rock those years awaySinging Tum-taram Tum-taram Tum-taram-taram
Tum-taram Tum-taramYeah, come on!
Hey now, kid come on!
I love what you do, around here
Now, now, now, come on!
Yeah now kid, come on.
The things that I do
Well, they ain't no fun without 'ya
No it ain't no fun without 'ya
