One Last Time

I Am the Avalanche

Something's wrong
I haven't heard from you in weeks
One of us had to let it die
You've become
One of those we laughed about
She and IIt slowly dawned on me
And I fell down to my knees
Please don't tell me how this ends
I don't think I can handle it
If this is the last day of my life
I need to see you one last time
Perfect timing
I never really liked your timing
And now your watch is collecting rust
Walking through the bummed out church
I guess I'll never learn
I start a fire to watch it burnIt slowly dawned on me
And I fell down to my knees
Please don't tell me how this ends
I don't think I could handle it
If this is the last day of my life
I need to see you one last timeNow it's time to think
My own fucking thoughts
And now I have the keys
To my own fucking locks
And now I have the strength
To find my own way
Please don't tell me how this ends
I don't think I could handle it
If this is the last day of my life
I need to see you one last timeI never want to live
Through this story againIt slowly dawned on me
And I fell down to my knees
