Molly Brazy

[VERSE 1]

Bitch I'm a savage I ain't gotta tote a pistol
But I love the way you drop when you get hit with this 4 nickel
Right at your temple I won't miss you
Pop a bitch like a pimple
Ima let the chop dismiss you
You can catch all these missiles
Had the Glock on me then got the Glock on me now
Screaming fuck 12 they tryna send my niggas down
I be higher than a cloud smoking cookie by the pound
They heard Brazy in the gang bitches throwing in the towel
They keep asking for it I'ma let these bitches have it
Riding in the foreign say he like the way I snap it
Bitches panic when they see me load the semi-automatic
450 for the ballys I just wanna live lavish

[HOOK]

Boo bitch you talking but you won't do shit
I'ma cool bitch till a goofy jump stupid
I ain't rich but my money too thick
I'm ruthless skudy zone all my niggas shootin shit
Boo bitch you talking but you won't do shit
I'ma cool bitch till a goofy jump stupid
I ain't rich but my money too thick
I'm ruthless skudy zone all my niggas shootin shit

[VERSE 2]

Hit you with two sticks I won't miss
Twin fourties twin fourties with a thirty on that bitch
I'm bout my money all my hittas bout that motherfucking drama
If you talking bout it's beef then they coming for yo momma
Got that draco on my hip hop in that whip I'm finna dip
I ain't sick but you know I'm sipping codiene like a bitch
I just sit pretty let these little ugly bitches hate
I wish I would let a broke bitch fuck up the paper chase
Is you dumb little bitch you will never know where I stay
But yo momma stay on the 6th and I know where yo granny lay

Bitches really don't wanna play hating on me man that shit gay
Bitches always sneak dissing but never say shit to my face
Joyroad nigga

[HOOK]

Boo bitch you talking but you won't do shit
I'ma cool bitch till a goofy jump stupid
I ain't rich but my money too thick
