Holding Up the World (feat. Harrison)

Steve Aoki

I'm holding up the world, I won't let you fall
I won't let you break, I'll pay for your mistakes
I'm holding up the world, you won't feel a thing
I can take the burn blistering my skinHolding up the world, the walls are crashing down
Nothing really matters but I see clearly now
I won't let it go, long as I still breathe
I'm spreading out my wings, I'm holding up the world
I'm holding up the world, I'm holding up the world
1, 2, 3, wooI'm holding up the world, I'll learn to love again
I'm holding up the world, my tears will make the rain never be the same
I'm holding up the world, I won't make a sound
I'd do it all for you, never going downHolding up the world, sweat and tears and fight
Angels I see coming, why follow the night?
I won't let it go, long as I still breathe
I'm spreading out my wings, I'm holding up the world
I'm holding up the world, I'm holding up the world
1, 2, 3, woo
